**A healthy structure for a healthy pharmacy business - Do you have a tax planning strategy?**

RA Accountants LLP understand the challenges you face. For over a decade, we have developed unique insight into the workings of independent and multiple community pharmacies - helping reduce the time they need to spend on managing their finances and tax planning.

**Enjoy a service that's personal as well as professional - with pharmacy experts**

RA Accountants LLP combine utterly professional standards with a personal touch.

We take the time, to fully understand your business and your objectives before we make our recommendations on how to best organise your finances.

We can provide you with a range of services, tailored to your individual needs. This could be cloud accounting, preparing your annual accounts and payroll to tax advisory, planning and acquisition advice. We explore ways in which we could help you to reduce your tax bill and plan for your ultimate business exit.
