## Discover a better way of doing business

As a busy dental professional, organising your finances and tax planning can be daunting. You need to know your finances are in safe hands - from the routine day-to-day management of your bookkeeping, payroll and accounts to the more complex tax planning issues.

This is where RA Accountants steps in. We understand the challenges you face. We work with a large number of dental professionals - helping reduce the time they need to spend on managing their finances and tax planning.

## Enjoy a personal and professional service from dentistry experts

At RA Accountants, our aim is to provide a high quality, tailored service to dental professionals at every step of your career.

### Our service includes:

- Personal tax advice
- Tax planning for principals
- Preparation of your Self-Assessment tax return
- Superannuation
- Accounts preparation
- Arranging finance for your practice
- Advice regarding incorporating a dental practice
- Advice on buying or selling your dental practice
- Advice on planning your long-term business growth and exit strategy

## Personal tax planning and Self-Assessment tax returns

RA Accountants provides a cost-effective personal tax service specifically developed for self-employed associate dentists, dental nurses and hygienists.

We can help you on all aspects of your personal tax and national insurance obligations:

- Allowable expenses
- Self-employment, as an associate dentist, nurse or hygienist
- How to register with HMRC as a sole trader
- Working via a limited company
