- Where appropriate, assisting your cash flow by negotiating a payment plan

Customised management accounts

Rather than wading through numerous spreadsheets each month, we can help you identify the key performance indicators on which to focus. By understanding the key drivers of your business, you will be able to quickly take corrective action, if need be, to keep your operation on track.

Specialist tax planning service

As you grow, it is essential to have an effective tax planning strategy in place, ensuring that you and your business minimise your tax burden. RA Accountants can help you with tax planning at all stages of your business from start-up to growth to succession.

Liaising with other advisors and HMRC

RA Accountants is experienced in working with banks, lawyers and the HMRC. Should you wish to apply for finance to grow your business, we can help. Likewise, should you be subject to an HMRC investigation, we can assist you during the process.

Maximise your profit potential:

Our experience of working with franchisees across a wide range of sectors, means that we have a clear idea of what level of margin your business should be making.

We will look at the detail, highlight potential cost savings and identify where there are opportunities for increased profits.

For multi-store businesses, so that you can compare each outlet's profitability, we can provide a breakdown analysis of profit and loss accounts for each individual store.
